

Mark Sunday

Mark Sunday is Chief Information Officer and Senior Vice President at Oracle, responsible for the company's information technology used globally, as well as the operational infrastructure for Oracle's On-Demand product offerings. Prior to joining Oracle, Mark was Senior Vice President and Chief Information Officer of Siebel Systems. With more than 30 years in the high tech industry, he has also served in various IT leadership positions at Motorola, ST Microelectronics and Texas Instruments.

Mark holds a BSE degree in Engineering from the University of Michigan, and an MBA from Southern Methodist University. He served on the board of Altiris (which was acquired by Symantec), is on the board of Infopia, and is also a Trustee of the Utah Technology Council (UTC) and Economic Development Corporation of Utah (EDCUtah).
