

# Gain Valuable Leadership Knowledge with TribalNet and TribalWise!

## ExecNology Track

### 18th Annual TribalNet Tradeshow & Conference

Your IT Team has been attending our conference for years, **now it's your turn!**

**November 6-9 • Renaissance Phoenix Glendale Hotel and Spa**

Attend sessions like:

- *Discussing technology confidently*
- *Creating a culture of innovation*
- *Leading edge Tribal success stories*
- *Business/organizational alignment*
- *Using technology to be the best leader possible*
- *Knowing what to expect from the department that spends the most money*

*The ExecNology Track will set the most innovative and progressive executives and leaders apart from the crowd.*

## The High Impact Leader

**Instructor: Susan Hill**

**Over 30 years** as a development professional, currently a highly skilled sought after trainer

**August 22-23 • St. Louis Park, Minnesota**

*High impact leaders create a work environment that enhances productivity, teamwork, and the achievement of real results.*

- *Gain new insights about the transition from individual contributor/expert to leader*
- *Managing time*
- *Continuous improvement plan*
- *Create effective 'connections' with others via versatility in communication style*
- *Building relationships*
- *Project a professional 'leader' image in the workplace*
- *Identifying strengths and weaknesses*

*Leave with powerful tools provided through facilitator-guided discussion, skill practice exercises, and individual introspection. Discover your high-impact potential!!*
